I'm sorry - actually off tomorrow and Friday. What is it for? I may have a little time late this afternoon.

Dennis -

Yes, you read that correctly. **Ex. 4 - CBI** of MidAtlantic (prime technical contractor for Legacy Landings at the Pittsburgh Cut Flower Company Site) and crew are planning to visit Freedom Industries to perform an asbestos survey. I think Joe indicated that he will be there tomorrow. He said something about being a sub to CEC.

Also FYI PCF confirmation soil sampling is tentatively planned for Thursday, March 13th. I currently plan to be there.
